THE DAY BEFORE

The celebration begins the day before the ceremony, enveloped in laughter, aromas and anticipation. Guests arrive at the villa in the soft afternoon light, welcomed by a warm atmosphere. The festivities kick off with a pizza tour or pasta lesson: hands dusted with flour, dough carefully shaped, laughter mingling with the aromas of tomatoes, herbs and fresh ingredients. Simple, bright outdoor tables display colourful bowls, bottles of local wine and light tablecloths, while soft music wafts through the air. It is a moment of connection, joy and playful creativity, a prelude to the celebration that will follow.

WEDDING EXPERIENCE

It's an intimate, elegant, timeless wedding—one where little needs to be added, because the place itself already creates half the magic.

THE DAY AFTER

The following morning, a brunch gathers everyone once more. Coffee, pastries, fruit, and fresh juices greet the guests, who reminisce about the previous day. Children run through the gardens, friends toast lightly, and the air is filled with warmth and shared memories. The villa slowly quiets, leaving behind a serene beauty, smiles, and memories that linger in every heart.

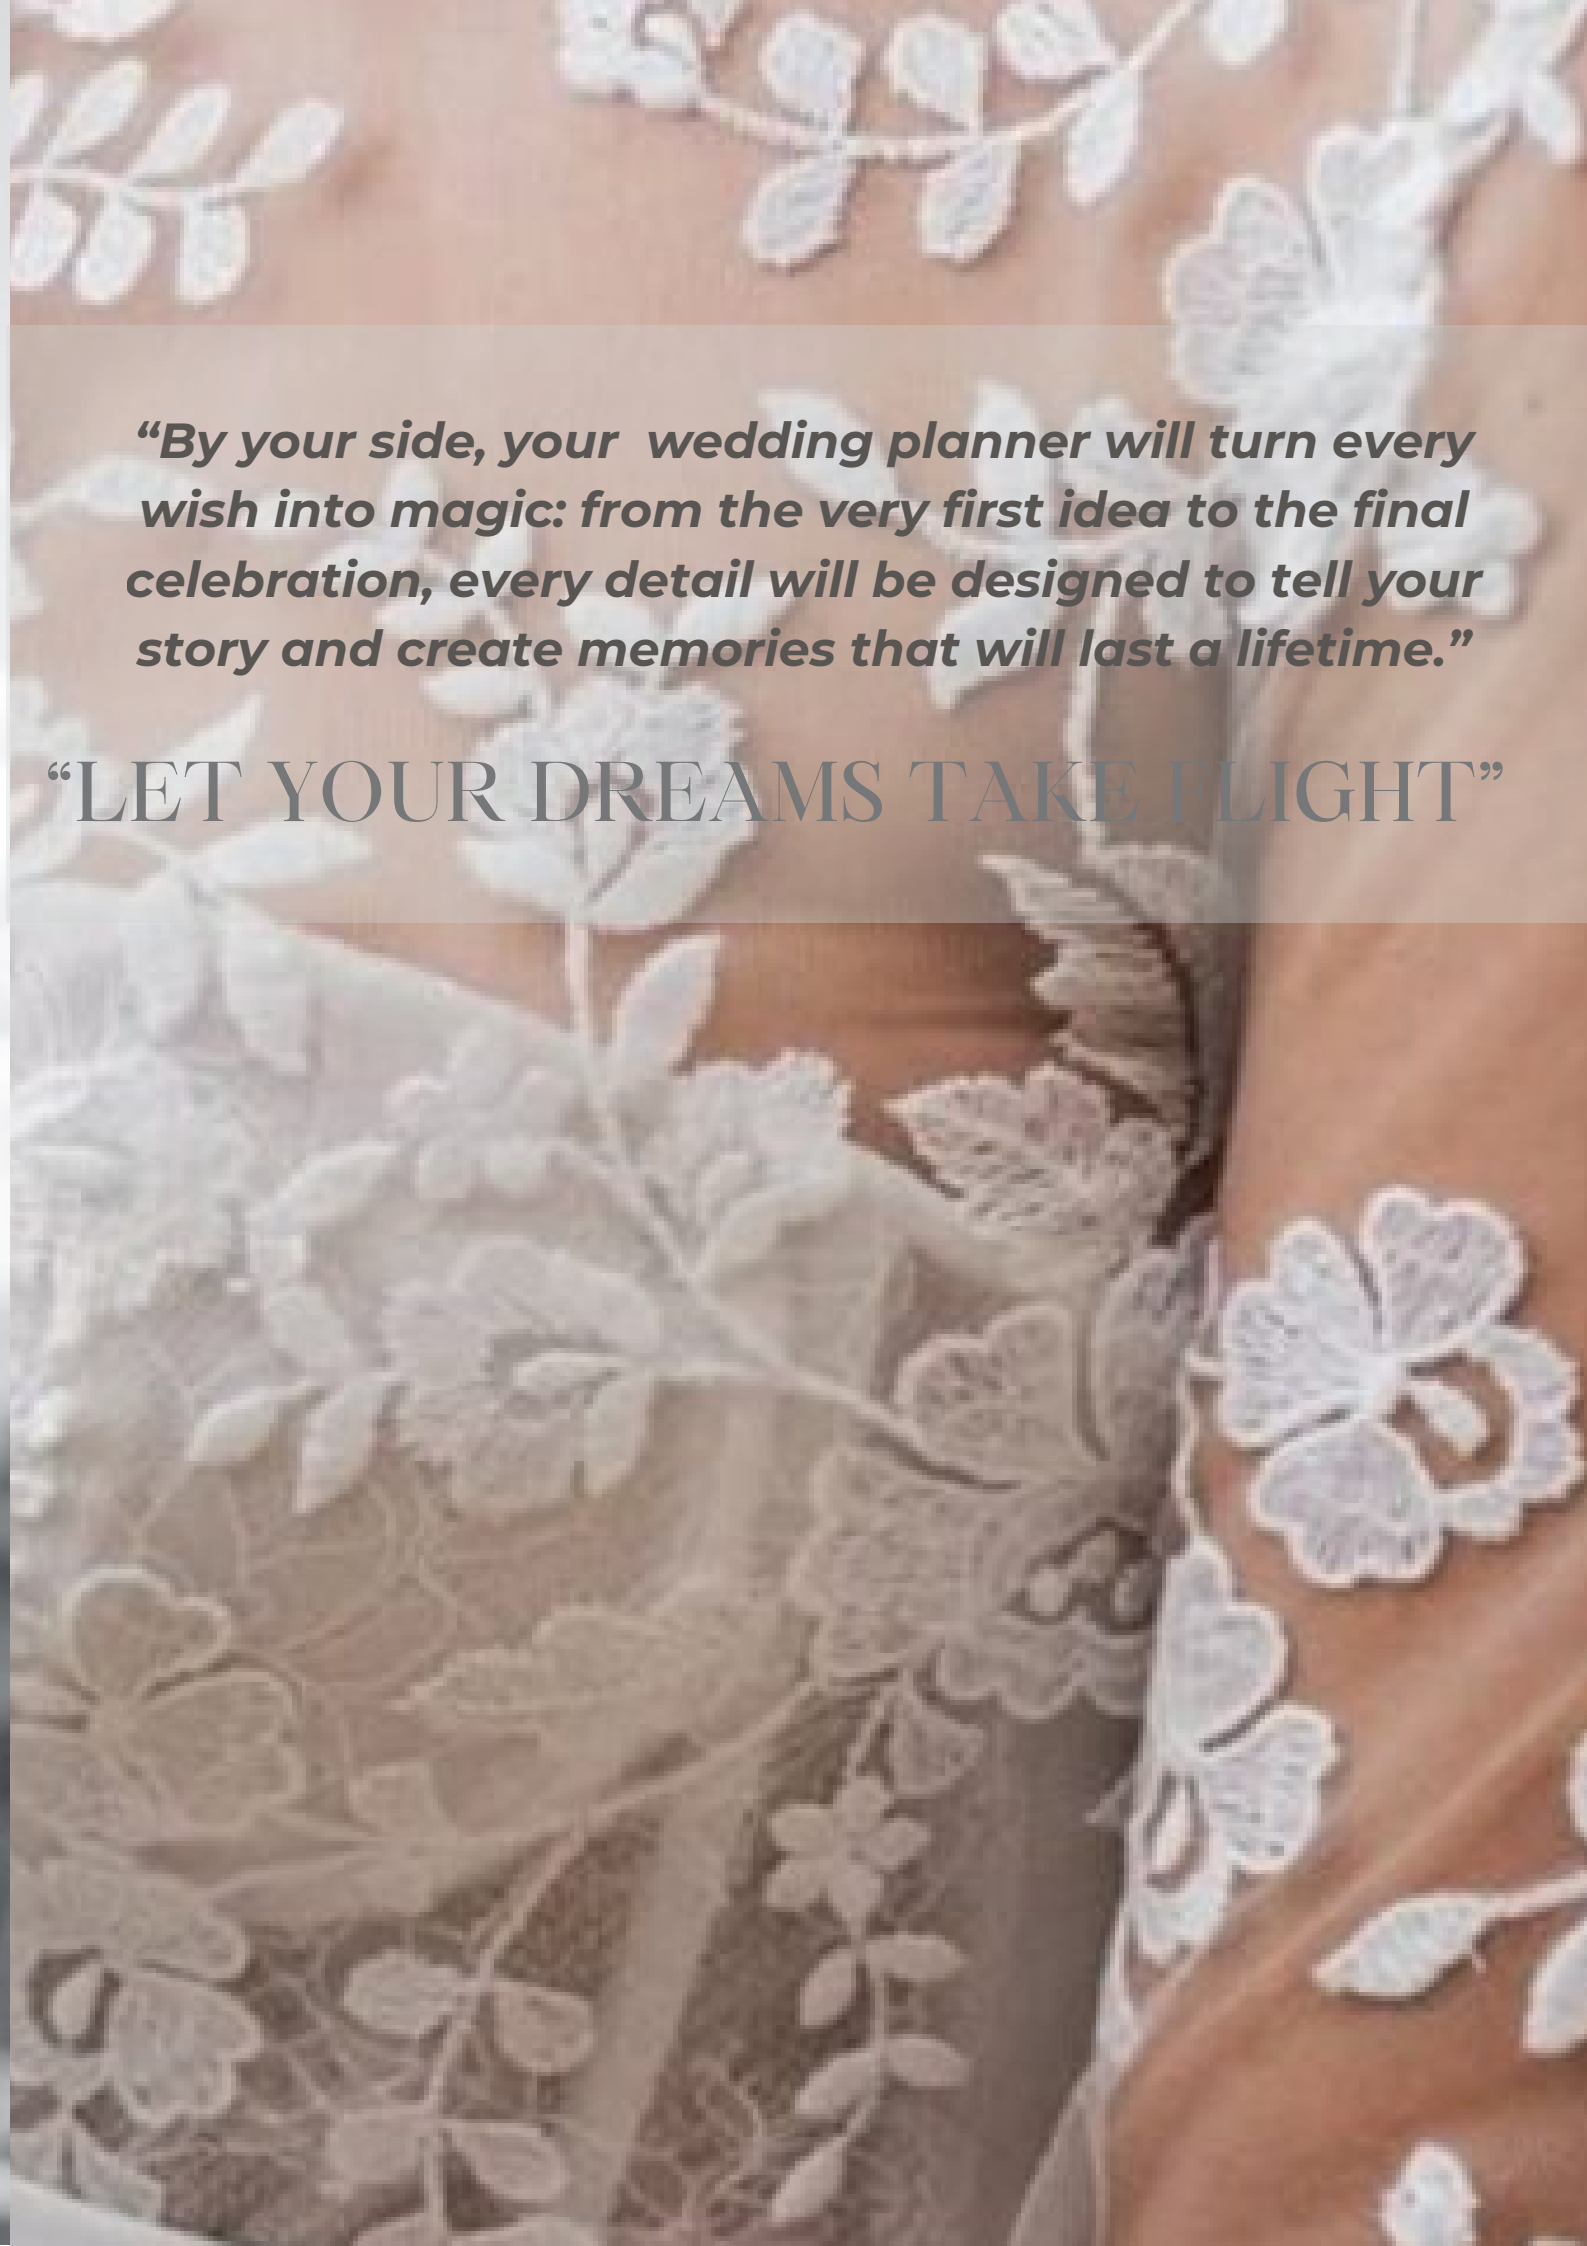

“LET’S CAPTURE YOUR DAY”

APERITIF

The aperitif flows seamlessly afterward. Low tables and flickering candles create relaxed elegance, while trays of local delicacies and sparkling cocktails circulate among guests. Laughter and light conversation fill the air as the couple mingles freely, sharing smiles and spontaneous embraces.

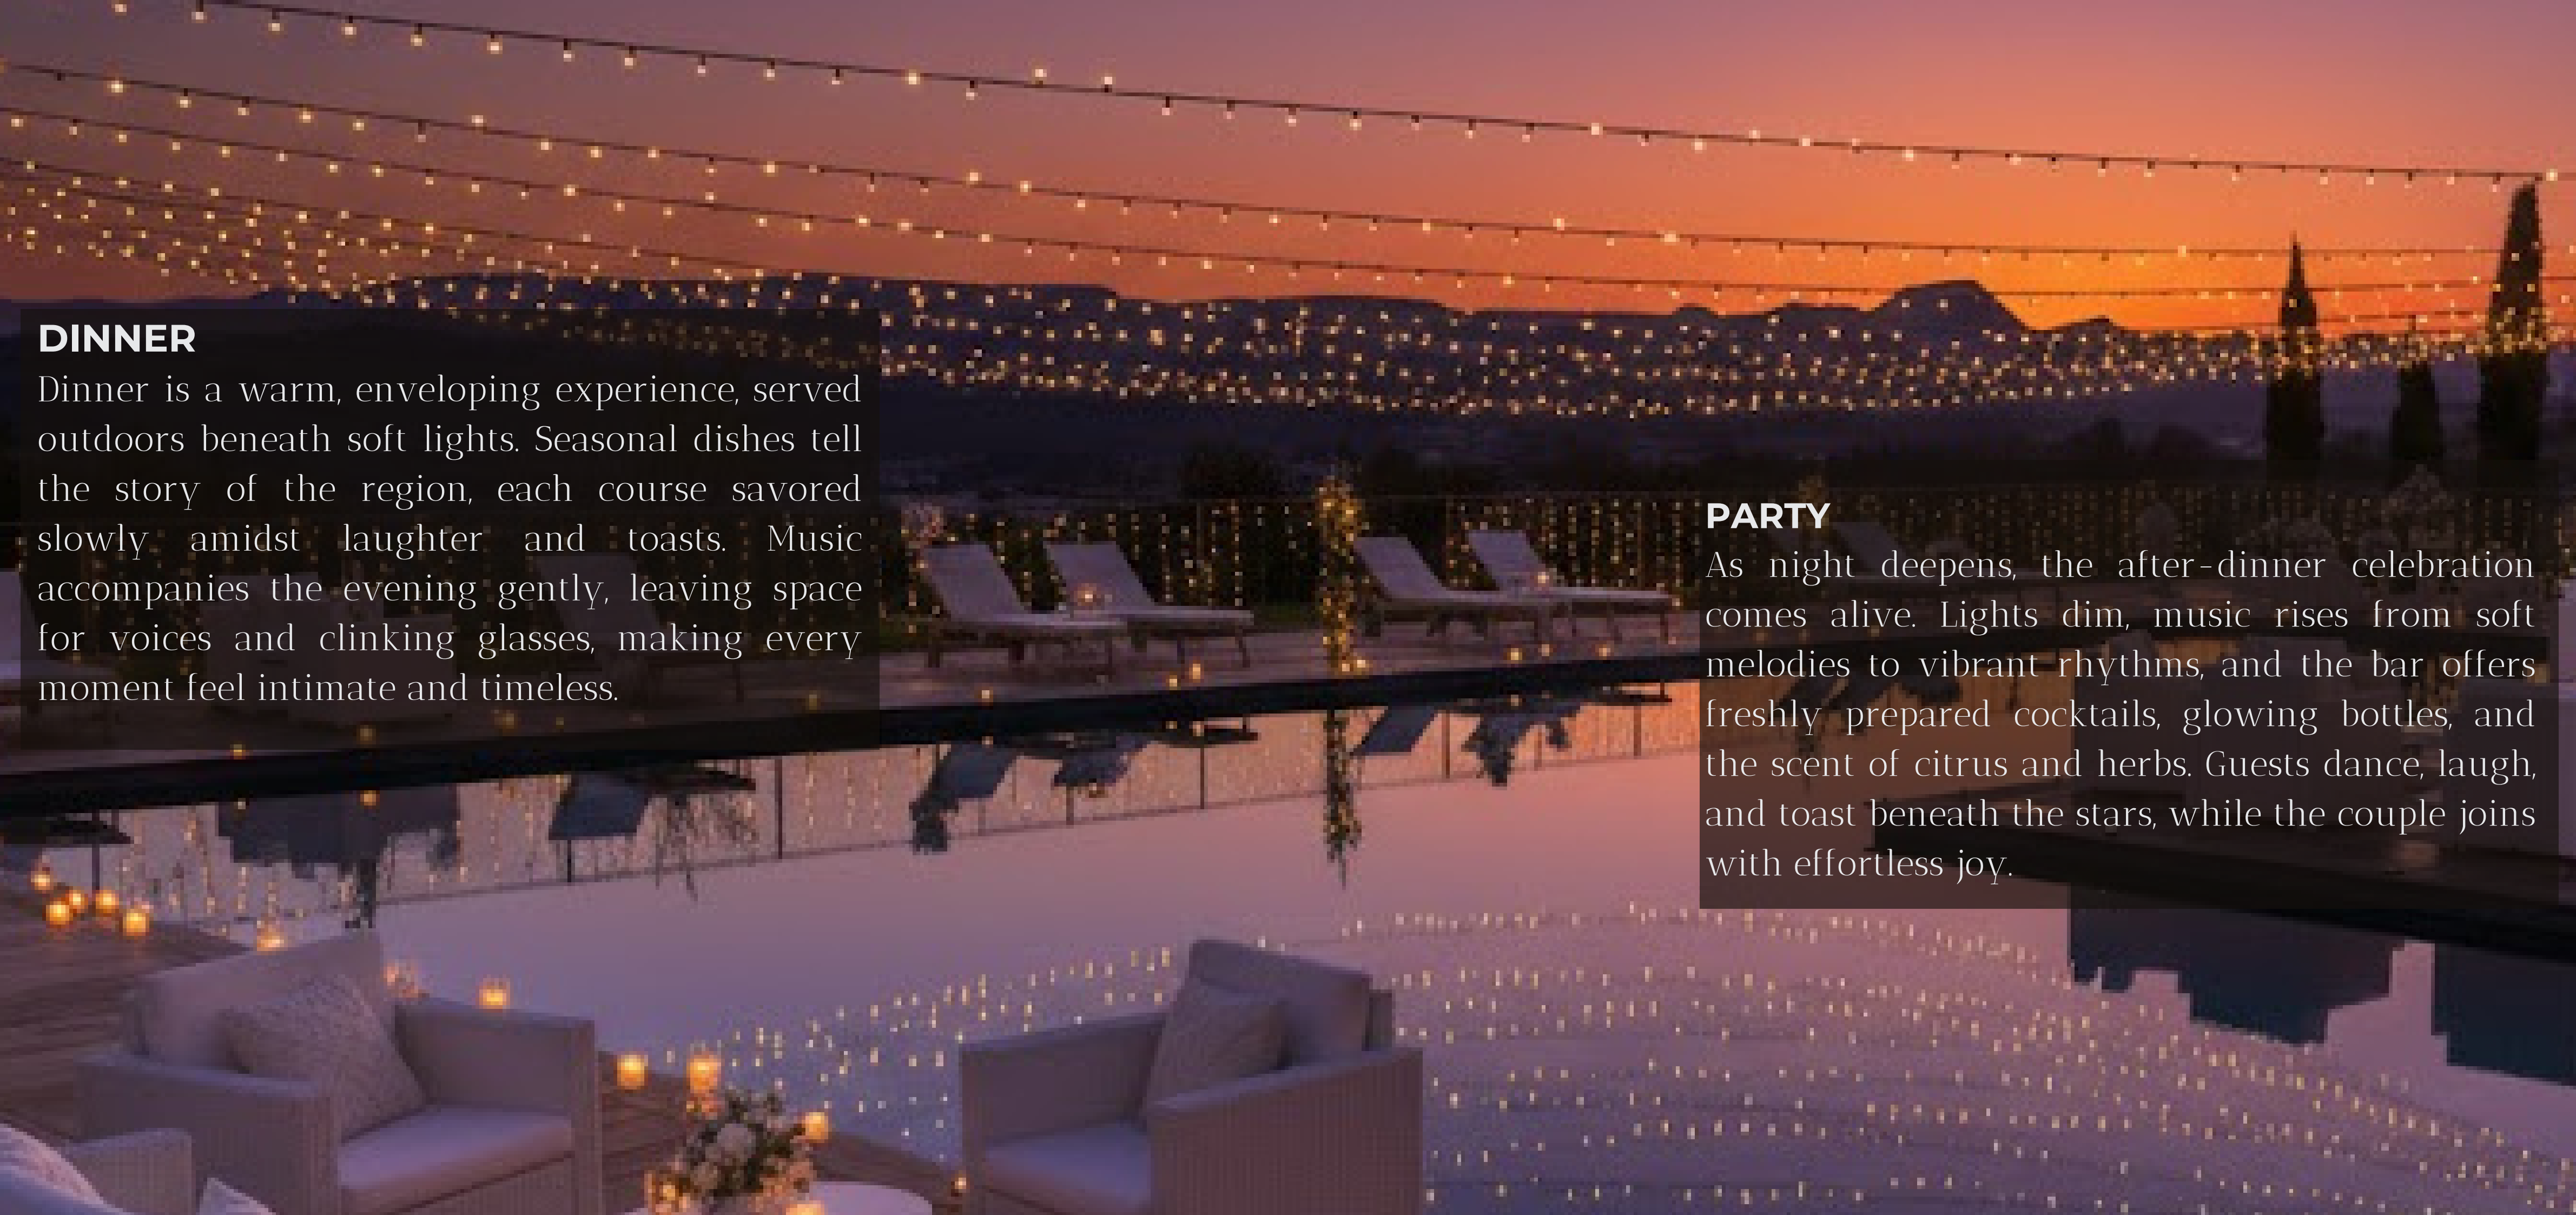

“By your side, your wedding planner will turn every wish into magic: from the very first idea to the final celebration, every detail will be designed to tell your story and create memories that will last a lifetime.”

“LET YOUR DREAMS TAKE FLIGHT”

CERIMONY

the ceremony unfolds by the pool, where water mirrors the hills and slender cypress trees. The sky stretches wide and bright, dotted with gentle clouds. Guests are seated among olive branches, lavender, and wildflowers, while the couple approaches, reflected in the shimmering water. Every detail harmonizes with the natural beauty around them. Following the vows, glasses clink for a toast as the sun dips behind the mountains, painting the water in deep blues and golds.

DINNER

Dinner is a warm, enveloping experience, served outdoors beneath soft lights. Seasonal dishes tell the story of the region, each course savored slowly amidst laughter and toasts. Music accompanies the evening gently, leaving space for voices and clinking glasses, making every moment feel intimate and timeless.

PARTY

As night deepens, the after-dinner celebration comes alive. Lights dim, music rises from soft melodies to vibrant rhythms, and the bar offers freshly prepared cocktails, glowing bottles, and the scent of citrus and herbs. Guests dance, laugh, and toast beneath the stars, while the couple joins with effortless joy.
